Born and raised in Hawaii, Jordan Shiraki received his first camera, a vintage 1960s Nikon SLR, from his grandfather at the age of twelve. He instantly fell in love with the art of photography. Presently, he resides in Las Vegas and specializes in exotic automobiles and high-fashion photography. 4th year using this calendar very happy with the pictures and the calendar is easy to read. Only comment is it says it is a '16 month' calendar but the previous 4 months of the current year are all slammed into one page and made small. This is fine as I still have my supercars calendar from last year up so I really bought this for 2017 not the last four months of 2016.

Awesome photos of great cars!! already using it as it is a 16 month calendar.

Given as a gift to my "gear head" grandson and he was very pleased with it.

Terrific calendar with great pictures and a little paragraph about each car.

great images. the picture quality is much better than the competitors

looks good

I bought this as a gift for my nephew. He's 11!! Loves luxury cars and everything about them. Also loved the vintage Ferrari license plate I found---Both on . '

Love it! Always appreciate looking at cars I can't afford - it arrived on time and with good packaging
