# Retailing Management, 9th Edition

## Synopsis

Retailing Management's 9th edition places critical and practical emphasis on five exciting new developments in retailing's high tech, global, growth industry: (1) big data and analytical methods for decision making, (2) communicating with customers and enhancing the shopping experience with social media and smart phones, (3) utilizing mobile channels and providing a seamless multichannel customer experience, (4) engagement in corporate social responsibility and the social considerations of business decisions, and (5) the impacts of globalization on the retail industry. With focus on some of the most admired and sophisticated retailers in the world like Wal-Mart, Home Depot, Starbucks, and Kroger, the 9th edition of Retailing Management provides challenging and rewarding opportunities for students interested in retailing careers and careers with companies such as IBM, Procter & Gamble, and Google that support the retail industry. New Vignettes in each chapter and the addition of Connect with SmartBook help the 9th edition of Retailing Management maintain and grow as the market's leading Retailing franchise. Retailing Management is proud to welcome Dhruv Grewal, Toyota Chair of Commerce and Electronic Business, and Professor of Marketing at Babson College, to the 9th edition author team. Dhruv brings years of academic experience and close collaborations with Michael Levy to co-author several retailing articles and co-edit the Journal of Retailing from 2001 to 2007, round out this powerful author team.

He has taught seminars in the U.S., Europe, and Asia.

Good customer service however the book came with a note explaining why it had a different cover which was a bit disappointed as it never said in the product description that I would come with a different cover. I will be comparing its content to make sure is the one I need since it doesn't feel as heavy as the one in the bookstore and the texture of the pages is weird maybe it is just me but I am taking it to the bookstore to compare.

Great Book, really good price. Just needed it for the class, glad I could find a rental.

Needed this for school & got it in a timely manner. One random thing is it says not for U.S. sale so I'm not sure if it's supposed to be sold into the U.S.

Very easy to read and covers the basics well.

So informative!

Different looking book but inside everything is the same

Very informative class. New teaching method from McGraw Hill. Great rental price. This is a great book for consumers to read

Good quality for the price. Purchased for my class and saved money compared to purchasing from the school.
