Bob's Bible: Words, Anagrams And Hooks

Synopsis

Bob's Bible is the comprehensive distillation of the word knowledge you need to become a superior Scrabble player. It's perfect for browsing, reference or all-out study! It's a must-have for any ardent player of the game, be they beginner or World Champion. Now you can have a champion's word knowledge summarized in one convenient book. **Inside:** Each of the 83667 acceptable National Scrabble Players Association 2 to 8-letter words are alphabetically listed & annotated with all of its hooks (1-letter extensions) & anagrams (words with the exact same letters). Look up HARKENED & see the obscure anagram DAKERHEN. Discover that LUNCH & RIOT can be hooked with G to make GLUNCH & GRIOT. PICTURES anagrams to both CUPRITES & the unexpected PIECRUST! Delightful surprises go on & on! **Study sections** spotlight JQXZ words, vowel-heavy words, words with front hooks & words added in 2006. New self-quizzes teach you to find 1000s of the most likely bingos (7-8 letter words). Information of the several Bob's Bible Editions: Bob's Bible is the only publicly available book with the full North American tournament lexicon. This is the tournament player's favorite. **For students and families playing School Scrabble,** Bob's Bible: School Edition is based on the Official School Scrabble lexicon. **For graduating to international play,** Bob's British Bible and the deluxe Bob's Color-Coded British Bible integrate and differentiate the North American and International lexicons-- essential for North Americans who are learning the additional words used around the globe in all World English Scrabble Association Tournaments.

Robert Gillis is a longtime tournament Scrabble Player and a member of the National Scrabble Players Association's Dictionary Committee.

Of all the word books and lists I have, this is my favorite. BIG PRINT for us oldsters. Concise, I am 65. I've read most of these books this is the one , you need go no further . I promise you you will love it. Just buy it you won't be sorry. SIX STARS.”””””

This is an excellent study book for all Scrabble players, from beginners up to tournament level. The dictionary is thoroughly upgraded to include words added after 2006, and includes back hooks, front hooks, vowel-heavy words and no-vowel words. My only complaint is the way the anagrams are arranged. For every puzzle, the anagram answers are given under each word. So unless the book is used simply for instruction or study, or you go down the list vertically and conceal the answers as you do the puzzles, you will see the answers. The puzzle workbook answers should have been printed in a separate section in the back of the book. Despite this drawback, I think the book is a great study tool and I recommend it highly. Hopefully, the editors will consider changing the anagram sections in future editions.

Great for those Words with Friends players who wish they could look up letter combos! It definitely has a learning curve but is easy to use if you mark/flag those pages you would use the most.

I bought this for my sister and myself. She loves it! Has really got into how to use it to find words and is killing me on Words with Friends. I have not really got into using it. The print is small which is a disadvantage.

Great book and Robert G. sent me an updated list of words email awhile back. Bought it new when the book was revised in 2006 for the second time! (Someone I used to play Scrabble with apparently liked it more than I did and "borrowed" it! LOL) Love the two letter words page. We play a friendly game, with the book, looking up words to help us learn as we go.

This is a great book for crossword fans ND SCRABBLE ADDICTS.....it is well organized and makes specific words very EASY TO FIND....i HIGHLY RECOMMEND IT!

The Word-Building Book – The Scrabble Word-Building Book: Updated Edition – and The Scrabble Players Dictionary – The Official Scrabble Players Dictionary – are the two required books for all Scrabble players. Bob's Bible is for those wishing to seriously delve into words, anagrams and hooks. For those purposes I find it unequalled. Ralph Maus

If you are a Scrabble player this book is invaluable. I play online and find myself using it most of the time. I am an intermediate player but used it when I was just beginning. It is well organized. There is lots of helpful information to guide you to becoming a better player. I've looked at other books but feel this is the most comprehensive.gf42
