 $\tilde{A}\phi\hat{a} \neg A$ "If you suffer from Hashimoto $\tilde{A}\phi\hat{a} \neg \hat{a}_{,,\phi}\phi$ s, this is an incredibly actionable book that will help you get your life back!A¢a ¬Â•A¢a ¬a • Mickey Trescott, NTP, author of A A The Autoimmune Paleo Cookbookà andà The Autoimmune Wellness HandbookHereââ ¬â,,¢s the simple truth about Hashimotoââ  $\neg$ â, ¢s: Itââ  $\neg$ â, ¢s way more than a thyroid problem. And even though itââ  $\neg$ â,,¢s an autoimmune disease, itââ  $\neg$ â,,¢s also way more than an immune system problem. Over time, it progressively becomes a Â body-wide disorder. Most people are familiar with the common hypothyroid symptoms of fatigue, brain fog, weight gain, sensitivity to cold, hair loss, and constipation. But what many people don  $\tilde{A}$   $c\hat{a} - \hat{a}_{\mu}ct$  seem to understand is that many Hashimoto  $\tilde{A}\phi \hat{a} \neg \hat{a}_{,,\phi} \phi$ s patients also have anxiety and depression, acid reflux, blood sugar imbalances like hypoglycemia and insulin resistance, intestinal permeability, anemia, food intolerances, and much more. This is not coincidence. It is all caused by repeated patterns of one system of the body breaking down and bringing other systems down with it. This causes vicious cycles that lead to the breakdown of the gut, the brain, the adrenals, the stomach, the gall bladder, the liver and every other major organ in the body. How to Heal Hashimotoââ ¬â,,¢sà offers a practical, easy-to-follow approach that treats the A A whole A A body, by figuring out what is breaking down and then developing a plan for fixing it. Using an autoimmune diet, lifestyle changes like meditation and gi gong, and other natural interventions, Marc Ryan shows you how to transform these vicious cycles into positive healing momentum  $\tilde{A}c\hat{a} \neg \hat{a}$  •thereby allowing the body to return to balance.Get ready to take charge of your health and reclaim your life!

This is the definitive book on Hashimoto's! I appreciate the fact that Marc Ryan has included a treasure chest of in-depth information and has made it easy and enjoyable to read and absorb. I have always wanted to know about Hashimoto's from the Chinese-Medicine and Functional-Medicine points of view, and now the information is all available in this comprehensive

book, which explains causes of Hashimoto's, how the various body systems are impacted in the process of autoimmunity, how the glands and organs affect each other, and the steps to take to get the body, mind, and spirit back into balance. Learning about the "big picture" regarding autoimmunity makes me realize how important it is to take action and begin healing. I am extremely grateful to Marc Ryan for sharing his extensive knowledge and making it possible to begin the journey toward remission!

If you have been diagnosed with Hashimotos or any autoimmune disease, this book is a must read. I have read several books on hypothyroidism, and this book is one of the best. It really helped me to understand just how complex a disease Hashimotos is. Highly recommended!

Mark's informative integrative health road map makes anyone suffering with Hashimotos feel inspired. Thanks to his research there is hope and a way forward.

This is a terrific book on the cause and effects of Hashimotos Autoimmune Thyroid Disease. Marc Ryan takes a disease that attacks your whole body and explains in very understandable terms what Hashimotos does to all the organs. Then he explains the plan about how to heal my body. I was very impressed with the simple plan to change my diet, eliminate habits like stress and inadequate sleep that contributes to the great fatigue. He also explains that exercise along with the rest of the plan can put my body into a healthy state and give me a better quality of life. I have struggled with this problem for 15 yrs. and been on medication and the fatigue and other symptoms under a good

doctors care. I have looked this subject up every place I can find on the internet and in book stores and never found such a meticulous description of Hashimotos disease and a plan to work at healing it. Marc Ryan is a terrific author who brings understanding to many patients and compassion because he has experienced this himself. I am so glad that I finally understand all the pieces to this thyroid disease and am already doing the multi-step plan to improve my health. This is the definitive book for anyone with Hashimotos Autoimmune Thyroid Disease. I had a younger sister who had this and passed away 10 years ago as her body destroyed itself. Thank you Marc for the videos, the book, and all your knowledge to help so many people like me. I hope other people out there who struggle with this disease will buy this book and educate themselves with the very workable plan you have included in the book. Sincerely, Paulette Cunningham
