Somebody Is Going To Die If Lilly Beth Doesn't Catch That Bouquet: The Official Southern Ladies' Guide To Hosting The Perfect Wedding

Synopsis

Even if you've never attended a wedding in the South, you'll find laughter in the pages of this deliciously entertaining slice of Southern life and love, complete with recipes, advice, and a huge dose of that famous charm. "In the Mississippi Delta, funerals bring out the best in people, while weddings, which are supposed to be happy occasions, bring out the worst." So say Gayden Metcalfe and Charlotte Hays, authors of the bestseller *Being Dead Is No Excuse: The Official Southern Ladies' Guide to Hosting the Perfect Funeral*, who turn their keen eyes and sharp wit from the end of the life cycle to the all-important midpoint. For anyone planning, participating in, or attending a wedding (Southern or not), this book will amuse, entertain, and provide advice for marital bliss, including: It's OK to peek at an etiquette book, but if you rely too heavily on it, people will think that you are not fully acquainted with what is right and wrong. Anything that was not done in the past doesn't need to be done now--consider this before ordering a groom's cake, especially one featuring a fishing-tackle or golfing theme.

Customer Reviews

With the "catchy" title I had expected it to equal or exceed *Being Dead Is No Excuse*. *Somebody Is Going to Die* has a few good laughs and recipes but not like *Being Dead*. It left me with the impression that the author had waited too late to make deadline and had tried to use the same format as *Being Dead*. It didn't work. I was so disappointed as *Being Dead is No Excuse* made me laugh until I cried throughout the book. Even though I'm vegetarian, I loved so many of the recipes that I have markers on numerous pages of *Being Dead* and have it filed with my cookbooks.

My mother gave me this book as a gift and I ordered one for my daughter's future mother in law because both of her sons are getting married within the next year and she herself was a delta bride. In addition to the hilarity, the book is full of wonderful recipes! If you are a southerner you will get it (because you've probably lived it at some point) and if you are not, you'll laugh anyway!

liked it

Cute!

My grandmother grew up in the Mississippi delta, I grew up on the Gulf Coast, and planning my wedding this year has been made all the more fun by reading aloud excerpts from this book! It is absolutely hilarious and manages to give a truthful (however unbelievable at times) description of the southern wedding culture while being able to laugh at itself. This is probably not going to appeal to anyone who grew up outside of the South, but for those of us who did this is great fun.

Hilarious. Always great recipes.

Haven't read this yet, but loved the first one, "*Being Dead Is No Excuse*", I am sure it will have the same Southern humor and recipes.

Very funny. I love their books.
