# New Jersey State Map (Travel Vision)

## Synopsis

The TravelVision line of state road and city maps covers America like nothing else. We employ a large scale that permits us to include more information, yet keep the maps uncluttered and easy-to-read. The maps feature points of interest, airports, camping facilities, parks, selected local attractions and more. State maps feature insets of major cities. Our city map offers additional detail, with depiction of streets on one side and a large scale metro area road map on the other.

## Customer Reviews

Useful, cheap, great service! Thank you!

I junked this map after I received it....why ?....very small print, one needs a magnifying glass to read it,....it misses many points of interest,....American bought a very fine map co. Hagstrom and really messed up.....I've been a map collector a long time and this is one of the worst.
