Oahu Spectacular Beaches: Driving & Discovering Hawaii

Synopsis

Oahu Spectacular! Beaches is loaded with links to Google Maps for each beach. • Google StreetView images for each beach as it will be viewed from the highway from both directions so you can easily recognize it from the road (many Oahu beaches have no signage). • Daily updated wind, wave, tide, and general conditions of each beach. • 360 degree view of the beach where available. • Satellite view of the area does double duty by also showing the exact spot the photographer stood to take the photo. • Hawaii's Greatest Driving Adventures Map to the island's beaches with detailed notes on each. • Each Beach Page provides a beautiful photo as well as icons depicting the attractions and amenities available there (swimming, surfing, restrooms, food trucks, etc.). A small map of Oahu shows where the beach is located on the island in relation to Honolulu. GPS coordinates help you find your way. • Everything you need to choose, find and determine current conditions at your desired beach destination is just a click away! Don't go to Hawaii without it!
