It is as good of a book that a business law book can be. Written well and fairly easy to understand if you know little about law. If it is a required purchase by your instructor it won't be too bad. Some of the other business law books are written much worse.

Needed it for my class. Found it cheap here!

Delivery was mediocre. Required text for my class. B-O-R-I-N-G, but informative.

The back cover came completely detached.

Just like brand new!!! Very nice!!!!

Bought this book for class. Great cases and learned a lot!

The item was as described and on time.

I purchased this book for business law (obviously). It is a great textbook. I highly recommend this course book for your education.
