Customer Reviews

Book by HOUGHTON MIFFLIN

The book arrived promptly and was in the promised condition. It seems to cover all of the subjects very well. We will use it as a homeschool supplement to our history this year.

Don't expect to get everything you need out of one book, you will need to supplement with other things if you don't want to just "teach to the test". Overall this is a nice starting point though. I was able to purchase it pretty cheap so we use it as our kick off point and add other lessons as needed.

The condition exceeded my expectations; price was excellent; and delivery was quick. Thank you!
